Dear Mr Sharry,

I write in response to your letter to me attached to your email 26/04/22.

I note that you have also written to Mr Rob Fyfe & Mr Steven Linskey regarding this matter. Please refrain from including Mr Rob Fyfe & Mr Steven Linskey in any future correspondence regarding this matter. I am the author of the letter & the chronology which I sent to the CEO, Mayor & Councillors. Using your terminology, I am the publisher of said letter and chronology.

Whilst Mr Rob Fyfe & Mr Steven Linskey have kindly agreed to assist me in my efforts to make public the ongoing disputes between AGMC & the Logan City Council. Neither of these two gentlemen have in anyway contributed to my said letter and chronology.

I set out below my responses to your letter. For your easy reference I have referred to your numbered paragraphs in your letter:

The invitation to contribute to a "Go Fund Me" is by Meadowbrook Country Golf Club Inc which is the body seeking to establish a gaming machine/club environment for the benefit of its members at the Meadowbrook Golf Course. Council's appointment of an expensive litigation lawyer to handle what is obviously a community entity town planning matter is entirely out of place and shows their intentions are, once again, not fair or reasonable!

1.3

I have made no false allegations. Everything I have stated in my **chronology** is absolutely correct and I have only made allegations on such matters that I know to be true.

1.4

I refute any allegation that my **chronology** includes any inaccuracies. All the allegations made by me are truthful and correct.

1.5

I dispute that my allegations are untrue. What I state in my chronology is factually correct.

1.6

I have not been personally involved in the ongoing litigation between AGMC & the Logan City Council. That said, I will do everything in my power to ensure that the allegations made in my chronology will indeed, at an appropriate time, be pleaded before the court.

I dispute your allegations. Everything contained in my chronology relating to the mediation process was an actual fact relayed to me at various times by various Councillors / Officers of the Logan City Council. There is nothing in my chronology, with reference to the mediation between AGMC and the Logan City Council that I did not learn from councillors / Officers of the Logan City Council. Everything that I have included in my chronology relating to the mediation was relayed to me by Mr Silvio Trinca at the Logan Urban Design Awards on the 24th of March 2021. What is more, many of the allegations made by Mr Trinca I have not included in the chronology. Immediately following the referred to meeting with Mr Trinca I took extensive notes recording every allegation made by Mr Trinca. At an appropriate time, I will reveal all of the allegations made by Mr Trinca.

2.1

I refute your unsubstantiated allegation that AGMC are in anyway 'publishers of the chronology'. I published the chronology on the Meadowbrook website.

2.2

I refute that there is any in false allegations in my chronology. I have no intention of withdrawing or taking down the chronology from the website. It shows the whole sorry debacle perpetuated by the bullying actions of Logan Council Officers and for why?
